Congratulations!

You've just created your Hawkes account. Remember to log in using the same email and password to access any of your Hawkes courses. If you forget your password, select **Forgot Password?** We'll text a password reset code to the phone number you provided during account setup or send you a password reset link via email if selected.

NAVIGATE YOUR COURSE

Watch the **Training Video**, located under your name in the top right corner of your Hawkes Dashboard, to familiarize yourself with the courseware.

Use the **Navigation Toolbar** located at the top of the page to access important resources such as your grades, eBooks, assignment notifications, and messages.

Select an assignment from your course **To-Do List** or click **View Course** and select one to begin working.

COMPLETE YOUR HOMEWORK

Each lesson involves three phases: **Learn**, **Practice**, and **Certify**. Use Learn and Practice to learn the concepts and work out practice problems with access to learning aids. When you feel confident in the material, move on to Certify to complete your homework.
