Congratulations!
You've just created your Hawkes Learning Account. Remember to log in with the same email and password to access any of the Hawkes Learning courseware. If you forget your password, select **Forgot Password?** We'll ask you the security question you set up or help you reset the password.

NAVIGATE YOUR COURSE

Watch the Video Tour located under the profile menu to learn more.

Dashboard provides course information and your To-Do List.

To-Do List shows when homework and tests are due.

Navigation Toolbar contains links to important tools such as your grades, eBooks, the notifications center, and messages.

COMPLETE YOUR HOMEWORK

Each lesson involves three phases: Learn, Practice, and Certify. Use Learn and Practice to learn the concepts and work out practice problems. When you feel confident in the material, move to Certify to complete your homework.

For additional help, go to http://www.hawkestv.com to watch videos on every lesson.
